STEM Club All years

Calling all scientists, design technologists, engineers and mathematicians! Mrs Wilkinson will be running STEM Club on Thurs 3-4pm starting Thurs 19/9/19 and continuing until Christmas Holidays. We will carry out a range of STEM activities and experiments. If your child is interested please fill in the slip below giving your permission for them to attend and to indicate how they will travel home. As these sessions will be resource intensive, we are limiting it to 20 children on a first come, first served basis. If demand exceeds 20, then we will have two groups – one group for 6 weeks and then the second group for 6 weeks.

In the interest of your child's safety please **send in a written note or telephone the school if your child is unable to attend a session. We are unable to accept verbal apologies from the children themselves.** There will be no charge for this activity.

Yours sincerely,

Gemma Wilkinson

All Years STEM Club Autumn Term

I would like my child _____ class _____ to participate in STEM Club on Thursdays from 3-4pm.

- My child will be collected from the entrance hall* by _____
- My child will make their own way home / be met in the playground / car-park / school gate (parental responsibility)

* If you select this option, children must be collected from the entrance hall only, not met at the gate or another meeting point.

If my child is unable to attend the session I will notify the school by telephone or written note.

Medical Conditions: _____

Signed: _____ (parent)
