

**HEACHAM INFANT AND JUNIOR, SNETTISHAM PRIMARY CORONAVIRUS (COVID-19)  
UPDATE SATURDAY 21<sup>st</sup> MARCH 2020**

Dear Parents and Carers,

The Local Authority has issued further guidance based on the latest government advice. The key message is **that in-school provision is only for those families who really cannot keep their children at home.**

If you are a critical worker or have a vulnerable child and need childcare at school, please can you confirm that you wish to take up a place for your child/ren, by emailing [head@heachaminfant.norfolk.sch.uk](mailto:head@heachaminfant.norfolk.sch.uk) before 6pm on Sunday evening with the header "Critical Childcare". The provision is available at Heacham Infant and Nursery site.

However, schools are facing significant staff shortages which are likely to get worse, and any places that we have offered for critical childcare will be subject to further and amendments prioritisation by Wednesday, according to staffing ratio. We will be dramatically reducing the amount of staff that we have in school at one time and also **cancelling all breakfast and after school clubs but children will be fed every day.**

**Arrive at your Snettisham and Heacham Junior at 8:35am if they are your child's school. Come to Heacham Infant for 9am if that is your child's school. This will give us time to transport children with staff we have. We will make sure children come back to their own school by 3pm.**

The government have made it clear that the intention is to reduce numbers of children and staff in schools to the absolute minimum. To that end, if you have been defined as a critical worker or your child is vulnerable, and you only need to send your child in for a specific day then do so – this is contrary to what we have said previously but we need to keep child numbers down as much as possible to reduce the potential spread.

The Local Authority advice is also that schools should only remain open if they can do so safely – if not, they should close. Currently we have enough staff to remain open to care for those children where parents have indicated child care is a necessity. We will be looking closely at the key worker criteria next week and may have to take some hard decisions regarding spaces. Priority will be given according to strict Local Authority approved criteria.

**HEACHAM INFANT AND JUNIOR, SNETTISHAM PRIMARY CORONAVIRUS (COVID-19)  
UPDATE SATURDAY 21<sup>st</sup> MARCH 2020**

So- If you are a critical worker or have a vulnerable child and need childcare at school, please can you confirm that you wish to take up a place for your child/ren, by emailing [head@heachaminfant.norfolk.sch.uk](mailto:head@heachaminfant.norfolk.sch.uk) before 6pm on Sunday evening with the header "Critical Childcare".

I will take a decision about how best we continue this offer on a day by day basis bearing in mind the rapidly changing situation and staffing numbers. We hope that keeping childcare going on our site remains viable and will keep going for as long as we can keep your children safe.

These are most challenging times; however, we must work together to reduce the infection rate of the Coronavirus in order that we can safely return to the position we were in before it affected all sections of society. We will continue to keep you informed.

Take care,

Ms Louise Jackson
